**Re: Darina Sorokina
Zolgensma infusion
Package price**

To whom it may concern:

Below is a package price for an infusion of Zolgensma. This price includes the fees for the physicians and hospital for the out-patient infusion. It is a set price for pre infusion workup including lab and consults, Zolgensma drug and the infusion process, steroids, physical therapy evaluation and physician follow up visit with lab work. If any complications would arise, or additional services provided, additional charges would follow.

Professional and technical fees:	Total \$2,300,000
Estimated length of stay:	Out-patient procedure 1-2 weeks

Note:

It should be noted that this price is only for the procedure named above and assumes no complications.

Payment policy:

Our payment policy for self-pay patients is to secure a deposit of 100% of the package price above prior to rendering service. **A deposit of \$2,300,000 is required 2 weeks prior to the first appointment.** Forms of payment include: 1) Mastercard, Visa, Discover, or American Express; 2) Certified check; 3) Traveler's Check; or 4) wire transfer
